Who do I ask if I have any zoning questions?

(Within city limits – call local city office) +

(Outside city limits – call Poweshiek County Zoning 641-623-3762)

What is the procedure if I purchase land to build a home?

Upon application completed (from Zoning Office), you must have a meeting with the Zoning Commission, which is held 3rd Tuesday of month, at this time. They will make a motion for recommend approval / disapproval to the Board of Supervisors. The Board of Supervisors makes the final discussion to approve / disapprove. Upon approval you will need to buy a building permit., The rule of thumb (at this time) no good quality farmland to be used for anything but agriculture.

(A permit is not required, however if you attach the shed to a permanent foundation a permit is required.)

What are minimum acres I need to buy to build?

(Two acres - including road.)

Do I have to rezone if I want to build a house in the country?

(Yes, land needs to be rezoned from agricultural to residential. Zoning office has applications; you must have a meeting with the Zoning Commission and Board of Supervisors as above.)

How close can I build to property line?

(Building at Ponderosa & Holiday lakes – 4 feet at Ponderosa & 5 feet at Holiday + read Lake By-Laws) + building in country - 15 feet from property side yard line + 50 feet from front & 40 feet from back of yard)

What if I need to build closer to property line?

(A meeting is needed with Board of Adjustments (applications in zoning office) zoning department will schedule a meeting date)
